

PIPE PLUG

PLUMBER'S BREAD

MASTERS® PIPE PLUG makes your soldering jobs worry free by saving time, money and inconvenience. It allows you to solder fittings to copper water pipe without interference of water.

Features of MASTERS® PIPE PLUG include:

- No draining down system.
- No leaking joints caused by water getting in soldering weld.
- Plug sides through fittings, most gate valves and some ball valves with full bore.
- Plug comes in plastic container with instruction sheet.

MASTERS® PIPE PLUG can be used for:

- Adding a gate valve.
- Installing backflow preventers.
- Changing a hot water tank.
- Cutting a tee into a water line.
- Working on hot water heating lines.
- Capping off a branch line.
